

**HKT Flexi Limited and HKT Payment Limited jointly announce  
the launch of a FinTech initiative  
allowing customers to smartly manage their cash flows**

**HKT (SEHK: 6823) – HONG KONG, December 8, 2020** – HKT Flexi Limited<sup>1</sup> and HKT Payment Limited<sup>2</sup> jointly announce the launch of a new FinTech initiative which provides an alternative means for users to smartly manage their cash flows. Flexi Flash, a brand-new service of HKT Flexi, enables customers to obtain instant funds through the HKT Flexi App anytime, anywhere. Upon successful application and approval, the customer's Tap & Go mobile wallet will be topped up with the approved funds for immediate access.

To enjoy Flexi Flash, customers can simply download the HKT Flexi App and Tap & Go App, sign up and complete authentication for both their Flexi account and their Tap & Go account respectively. Upon successful authentication, customers can select Flexi Flash on the HKT Flexi App and apply for a loan<sup>3</sup>, without the need to show proof of income. Customers will be instantly notified of the application result. If the application is approved, funds will be transferred to the customer's Tap & Go authenticated account. Hassle-free repayments will be spread over 12 months and automatically debited from customer's designated bank account.

Mr. Chris Fung, CEO of HKT Flexi Limited, said, "With the debut of HKT Flexi at HKT, 1010 and csl. shops in May 2020, we are excited to launch Flexi Flash, which brings the HKT digital ecosystem to the next level. By partnering with Tap & Go, we can deliver another FinTech innovation to engage a substantial base of customers and offer them a seamless digital experience in obtaining funds instantly. Customers will enjoy immediate spending and be given a well-defined repayment schedule upfront. With Flexi Flash, customers can now better plan their spending and smartly manage their finances."

Ms. Monita Leung, CEO of HKT Payment Limited, said, "Tap & Go is committed to offering innovative, secure and convenient mobile payment services. Customers can use their Tap & Go wallet to make online, offline and worldwide payments through Mastercard and UnionPay networks or make peer-to-peer fund transfers across designated banks or Stored Value Facilities (SVF) accounts via the Faster Payment System (FPS) in Hong Kong. We are delighted to collaborate with HKT Flexi to provide customers with Flexi Flash as an alternative top-up means. Tap & Go users can now also enjoy this brand-new service provided by HKT Flexi to fit their preferences and lifestyles."

As a welcome offer<sup>4</sup> by HKT Flexi, from now till February 28, 2021, the first 2,000 Flexi Flash customers who successfully designated Tap & Go account as a Flexi Flash loan disbursement channel will get a rebate of HK\$50 which will be deposited into their Tap & Go wallet. Upon successful drawdown of Flexi Flash loan, they will also be entitled to an extra rebate of up to HK\$300 which is provided by HKT Flexi and will be deposited into their Tap & Go wallet.
