

**Tap & Go has been selected as the stored value facility (SVF)
that allow Hong Kong citizens to receive the consumption vouchers
in Phase II of the new round of Consumption Voucher Scheme**

HKT (SEHK: 6823) – HONG KONG, 1 May 2022 – Tap & Go presented by HKT Payment Limited¹ has been selected by the Government as one of the stored value facilities (SVFs) that allow Hong Kong citizens to receive the consumption vouchers in Phase II of the new round of Consumption Voucher Scheme. HKT welcomes and fully supports the Government's launch of a new round of Consumption Voucher Scheme (CVS), which aims to boost local spending and revive the economy.

Ms Susanna Hui, Group Managing Director of HKT, said, "We are delighted to be selected as one of the stored value facilities (SVFs) that allow Hong Kong citizens to receive the consumption vouchers in Phase II of the new round of Consumption Voucher Scheme, and play a part in boosting local spending and reviving the economy. HKT is committed to supporting SMEs and promoting the development of digital mobile payment to cope with the consumption behavior and business model under the new normal, so that citizens and merchants can enjoy a safe and convenient shopping and payment experience. In support of Phase II of the Government's new round of Consumption Voucher Scheme, we will provide merchants with fee reductions and citizens with special offers."

Tap & Go enables users to enjoy a secure and convenient shopping and payment experience, with advantages including:

- ✓ Accepted at over 100,000 local points of sale
- ✓ Welcomed at merchants accepting Mastercard², UnionPay³ & FPS⁴ for payment
- ✓ Supports Apple Pay, Google Pay and UnionPay App
- ✓ Retail outlets and online platforms of local merchants (including online platforms that accept Mastercard cards and physical stores in Hong Kong that accept Mastercard contactless payment, and local points of sale and online platforms that accept UnionPay QuickPass or UnionPay QR code payment)
- ✓ Big purchases
- ✓ Real-time transaction history
- ✓ Easy onboarding process

cont'd

To support Phase II of the new round of Consumption Voucher Scheme, HKT will provide the following offers to SMEs:

- Tap & Go¹ and FPS 0% transaction fee⁵
- SmartPOS device rental fee waiver⁶

In addition to offers for SMEs, Tap & Go will also roll out offers in relation to the consumption vouchers to encourage spending in those sectors severely affected by the epidemic such as F&B, beauty and salon services, sports & recreation centers. More details will be available soon.

About HKT

HKT (SEHK: 6823) is Hong Kong's premier telecommunications service provider and a leading innovator. Its fixed-line, broadband, mobile communication and media entertainment services offer a unique quadruple-play experience. HKT meets the needs of the Hong Kong public and local and international businesses with a wide range of services, including local telephony, local data and broadband, international telecommunications, mobile, enterprise solutions, FinTech, e-commerce, big data analytics, media entertainment including the provision of interactive pay-TV services, and other telecommunications businesses such as customer premises equipment sales, outsourcing, consulting and contact centres.

HKT is the first local mobile operator to launch a true 5G network in Hong Kong with differentiated value-added services. Backed by its substantial holding of 5G spectrum across all bands and a robust and extensive fibre backhaul infrastructure, HKT is committed to providing comprehensive 5G network coverage across the city.

HKT delivers end-to-end integrated solutions employing emerging technologies such as 5G, cloud computing, Internet of Things ("IoT") and artificial intelligence ("AI") to accelerate the digital transformation of enterprises and contribute to Hong Kong's development into a smart city.

Riding on its massive loyal customer base, HKT has also built a digital ecosystem integrating its loyalty programme, e-commerce, travel, insurance, big data analytics, FinTech and HealthTech services. The ecosystem deepens HKT's relationship with its customers, thereby enhancing customer retention and engagement.
