OUR CSR VISION

To be an ethically, socially and environmentally responsible information and communications technology (“ICT”) and media service provider that delivers an excellent customer experience while supporting and connecting the communities we serve.

OUR CSR MISSION

Our mission is to utilize our services to empower, connect and transform communities and businesses by:

- minimizing the environmental impacts of our business, and helping our customers to do the same through our products and services;
- valuing and developing our talented team;
- promoting corporate social responsibility principles throughout our operations and supply chain;
- pioneering products and services that make people live better and help businesses thrive; and
- addressing and responding to the needs and concerns of communities through social partnerships, thereby making them a better place to live in.

ABOUT PCCW

For details of our corporate governance, please refer to the Corporate Governance Report set out in PCCW’s Annual Report 2019.
Endeavoring to be the Employer of Choice, we have devised talent strategies that drive towards enabling the best employee experience and sustaining a diverse and vibrant team. The Group continues to expand its global presence and our workforce now comprises employees of 65 nationalities with a diverse range of expertise and background.

We strive to provide a fair, inclusive and high performing work culture for our employees globally. We have established robust succession and strong talent pipeline, comprehensive training and leadership programs to nurture the talents we need to fuel business growth.

In 2019, we provided 1,446 training sessions to help employees keep pace with market trends and enhance their skills.

To maintain high occupational safety and health standard across the Group, we delivered more than 390 sessions of health and safety-related training to our staff in 2019.

We have become signatories to the Joyful@Healthy Workplace Charter and the Racial Diversity and Inclusion Charter for Employers to promote staff well-being and to demonstrate our commitment to ethnic diversity respectively.

We have established channels for employees to share feedback and suggestions with senior management, and to understand company and business development. These include face-to-face meetings and forums, Let’s Chat sessions and town hall style gatherings.

**OUR PEOPLE**
PCCW has made continuous efforts to build a more sustainable business and help address the threat of climate change. An Environmental Advisory Group comprising group unit heads provides suggestions on our sustainability agenda.

Environmental performance highlights in 2019:

- **Total GHG emissions**: 244,293 tonnes CO₂-e
  - (2.41%) decrease
- **Electricity consumption**: 383,144,892 kWh
  - (1.91%) decrease
- **Shopping bags**: 15.97 tonnes
  - (21.41%) decrease
- **General waste disposal**: 849.25 tonnes
  - (1.31%) decrease

- **PCCW Solutions data centers** are designed and maintained to the highest level of environmental standards. A new data center built in 2019 is equipped with modular cooling infrastructure and busway power distribution systems to optimize overall energy efficiency.
- **A waste audit** was conducted at the Group’s headquarters during the year to identify enhancement measures.
- **We stopped publishing the hard copies of Yellow Pages and White Pages Business telephone directories**, saving over 19 million sheets of paper per year.
- **Electronic bills** saved over 48 million sheets of paper.
- **We helped customers to remove over 2,500 pieces of waste electrical and electronic equipment (WEEE)**.
- **We collected 6,837 old mobile handsets** from customers for recycling.
- **We began a trial with Hong Kong Battery Recycling Centre (HKBR) to recycle waste lead acid batteries locally**.
- **The Smart Charge electric vehicle (EV) charging service** encourages the wider adoption of EVs and contributes to creating a cleaner environment.
- **All our canteens replaced plastic stirrers with wooden ones to reduce the consumption of single-use plastics**.
- **PCCW is a signatory to the Energy Saving Charter and Charter on External Lighting scheme** of the Environment Bureau. In 2019, PCCW received the Platinum Award of Charter on External Lighting scheme for switching off external lighting at selected shops at designated hours.
We continuously identify and support social causes and create social value through education, corporate volunteering, financial donations and in-kind contributions.

Our work in the community:

- **Cumulative number of volunteers since 1995**: 5,544
- **Special community service programs in 2019**: 14
- **Active volunteers in 2019**: 619
- **Volunteer leave days granted in 2019**: 432

- **Ongoing community service programs in 2019**: 27
- **Monetary donations and in-kind sponsorships for charitable causes in 2019**: HK$21M+  

Community services highlights in 2019:

- HKT set up a one-stop hotline for senior citizens aged 65 or above. It offers timely technical support to the elderly, helps with contracts and bills, as well as service relocation.
- We provided virtual reality (VR) and Smart Pama smartphone workshops to senior citizens.
- Sponsorship to the Youth IT Exchange Tour (previously Youth IT Summer Camp).
- Annual scholarships and bursaries to local university students.
- Collaboration with different stakeholders to encourage STEM education among the younger generation.
- We joined hands with different green NGOs.
- We provided IT support for long-term disabled patients at the Cheshire Home in Sha Tin.
- ViuTV staff and artistes participated in Hong Kong & Kowloon Walk for Millions 2018/2019 to raise fund for The Community Chest of Hong Kong.
- HKT collaborated with Hong Kong Council of Social Service to replace analogue TVs with digital TVs for low-income and elderly households under the Community Care Fund Digital Television Assistance Programme.
- More than 1,800 The Club members made approximately HK$240,000 in monetary donations and HK$43,000 in product donations to nine charity partners by Clubpoints redemptions.
As a customer-focused service provider, we consider customers as one of the most important stakeholders.

We embrace technological advancement and plan for future evolution. We organized the HKT 5G Tech Carnival in June 2019, where we showcased an array of innovative applications and solutions. HKT acquired 120 MHz of 5G spectrum from auctions, allowing us to provide a quality 5G mobile communications service in 2020.

We achieved our service availability and service restoration targets for 2019:
