

HKT 5G Tech Carnival opens

HKT (SEHK: 6823) – HONG KONG, June 13, 2019 – HKT 5G Tech Carnival opens today at the Kai Tak Cruise Terminal.

Ms. Susanna Hui, Group Managing Director of HKT, said, “As a leading innovator and the premier ICT service provider in Hong Kong, HKT is privileged, and proud, to host this event, the first and only event of its kind in Hong Kong where we can all take a step into the future – the not-too-distant future – when 5G and other emerging technologies will enable us to enjoy a smarter and greener lifestyle, and for businesses to improve efficiencies and customer experience, ultimately enhancing the quality of life for everyone.”

In her welcome remarks to more than a thousand guests and visitors, Ms. Hui said 5G would be the bedrock of Hong Kong and indispensable to the continuing development of Hong Kong as a Smart City.

“HKT is confident of its capability to roll out quality 5G services in Hong Kong when the necessary ecosystem is in place. HKT has both the way and the will to lead Hong Kong into this new 5G era. We appreciate your support and we look forward to working with you in our ongoing pursuit of excellence and innovation,” she said.

About HKT

HKT (SEHK: 6823) is Hong Kong's premier telecommunications service provider and leading operator in fixed-line, broadband and mobile communication services. It meets the needs of the Hong Kong public and local and international businesses with a wide range of services including local telephony, local data and broadband, international telecommunications, mobile, enterprise solutions, and other telecommunications businesses such as customer premises equipment sales, outsourcing, consulting, and contact centers.

HKT offers a unique quadruple-play experience in Hong Kong delivering media content on its fixed-line, broadband Internet access and mobile platforms jointly with its parent company, PCCW Limited.

HKT also provides a range of innovative and smart living services beyond connectivity to make the daily lives of customers smarter, whether they are at home, in the workplace, or on the go. Consumers and merchants alike may also enjoy HKT's financial-related services such as mobile payment, smart mobile point-of-sale solutions, and insurance.

For enterprises, HKT delivers end-to-end integrated solutions employing emerging technologies such as cloud computing, Internet of Things (IoT) and Artificial Intelligence (AI) to accelerate their digital transformation, contributing to Hong Kong's development into a smart city.

The Club is HKT's loyalty program and one of the largest of its kind in Hong Kong, not only offering a variety of privileges and benefits to enrich the lifestyle of members, but also increasingly amalgamating merchants and becoming an integral part of a new digital ecosystem connecting consumers and merchants.
