

HKT and EdUHK sign MoU to provide scholarship for 13 Kazakhstan students

HKT (SEHK: 6823) – HONG KONG, 3 June 2026 – HKT and The Education University of Hong Kong (EdUHK) have signed a Memorandum of Understanding (MoU) to establish a partnership that advances talent development and exchanges between Hong Kong and Central Asia, offering scholarship for 13 Kazakhstan students to study in Hong Kong.

The collaboration was announced during a delegation to Kazakhstan, led by Mr John Lee, Chief Executive of the Hong Kong Special Administrative Region (HKSAR) and organised by the Hong Kong Trade Development Council. Richard Li, Executive Chairman of HKT, also joined the business delegation.

Marking the 13th anniversary of the Belt and Road Initiative, HKT is establishing 13 scholarships to reflect and realise the idea of fostering educational and cultural exchange. Under the MoU, HKT will fund scholarships for 13 eligible students from Kazakhstan to study at EdUHK, easing their financial burdens while fostering wider international exposure and learning. Eligible students will also have access to internship opportunities, academic study and cross-cultural exchanges in Hong Kong, gaining broader knowledge and skills in this international hub for education and business.

As part of the HKSAR Government's trade delegation, an HKT representative met business leaders in Kazakhstan and visited local enterprises and facilities to gain insights into the latest developments in Central Asia across finance, trade, infrastructure, innovation and technology, and promoted Hong Kong's strengths, fostered trade and economic cooperation and people-to-people and cultural exchanges between the two places, as well as explored new cooperation opportunities.
